How to order?

- Choose any product from the Porcelaine by Maxim range
Product price = cost of the product from the price list
- Add one of the ready-made Christmas patterns
- Add your company logo
- Optionally add personalization

The cost of printing = the total number of colors in the X-mas pattern (P1-P18)
+ number of printing colors for the logo within a given decoration area.

Total set-up and film cost = number of colors in the printed logo
Set-up and film cost for a selected Christmas motif - for free.
