

# Handy Small Supreme

Technical information:

Capacity: 100 ml

Height: 60 mm

Diameter: 62mm

## #For fans of a strong „little black“

A smaller and extremely stylish version of the iconic Handy Supreme model, it is perfect for the popular espresso. Despite the small size, a comfortable, properly profiled ear ensures the comfort of enjoying the drink. Thanks to Handy Small Supreme, delicious espresso will gain an unforgettable taste...

## #Colorful interior to emphasize the uniqueness of the brand

The glossy interior in four popular shades can be a perfect reinforcement of the brand's color scheme, and the black satin surface will perfectly emphasize its power. Haven't found an interior in a color that matches your brand? We are able to tint the white shade of the interior to the selected Pantone color!

## #Strength in a group!

The family of well-known and popular Handy models has another interesting representative. Create a unique set with several Handy cuts or bet on one strong accent. You choose which Handy will enhance your brand recognition.

## #Decoration that will stand the brand above the others

Make the promoted brand even more impressive and choose one of the spectacular decorations, e.g. a glossy print that will look great on a matte surface or a spatial sandblasting effect.

# Glen Supreme

Technical information:

Capacity: 380 ml

Height: 116mm

Diameter: 86mm

## #Infinitely fashionable with a luxurious surface

The elegant Glen mug with the luxurious touch black satin Supreme surface on the outside is an eye-catcher like no other. If current trends are no stranger to you, you already know which model to choose!

## #Dark and light side of the force

The product is available in two interior colors: white and black. In addition, the white interior can be colored in any shade of your choice, consistent with the brand's color scheme.

## #A class by itself

The classic and functional shape makes it easy to use the cup, and in combination with the elegant design, it makes each sip a unique experience.

## #Sophisticated power of branding

Simple, dignified sides of the Glen Supreme model will perfectly expose the values of the promoted brand. Let your imagination run wild and decorate it with an original print, a colorful interior or a noble spatial decoration effect.
