

Outstanding cups for every occasion

It is hard to imagine the beginning of the day without aromatic coffee that awakens the mind and body to life. Such coffee tastes much better when drunk from an elegant cup. Classic coffee or tea tableware should be found in every home or office.

Elegant cups

Elegant cups made of thin, delicate porcelain or elegant ceramics will emphasize the character of each meeting and are a subtle alternative to a standard cup. A set of elegant cups is always a hit gift - not only for a coffee lover. Beautifully decorated porcelain or ceramics are the best table decoration - during family celebrations or meetings with friends, and the branding applied to them will raise the rank of each conference.

A wide range of cups

You can choose from models of various shapes, made of high-quality porcelain or ceramics, many capacities - also within one cut, thick-walled or thin-walled cups, as well as products of European origin.

What's more, some of our cups are also available in sets enriched with a teapot, sugar bowl and milk jug.

In addition, each model has a wide range of decorations not only on the outside, but also inside, on the ear and - what is important - on the saucer.

LUNA set

#Original branding complement

Porcelain set with a designer square and wavy saucer, which gives it a unique character. It has an ergonomic handle and a universal capacity, ideal for various types of coffee and tea.

Capacity: 180 ml
Height: 64 mm
Diameter: 95 mm
Material: EU porcelain

The Luna cup also has a wide range of decorations. Coloring outside and inside in any color, an interesting effect of printing or engraving and a golden rim are just some of the branding options of this model.

VENEZIA set

#Solo or in a set

An Italian-style, thick-walled cup available in four sizes: 70 ml, 150 ml, 200 ml and 450 ml. The largest of them, thanks to its exceptionally large capacity, is an ideal gift for lovers of cappuccino or various types of tea.

Capacity: 70 / 150 / 200 / 450 ml
Height: 60 / 65 / 70 / 82 mm
Diameter: 63 / 78 / 87 / 125 mm
Material: EU porcelain

You can order the Venezia cup in several sizes, as well as create an interesting set with a teapot, sugar bowl and milk jug. You can customize this set in any way.

VERONA set

#Fashionable and characteristic set not only for espresso.

A thick-walled cup with a classic, slim shape. Its size makes it ideal for the popular espresso. The beautiful, shiny, intense black color of this model was obtained in the enamel dyeing process.

Capacity: 80 ml
Height: 60 mm
Diameter: 62 mm
Material: ceramics

In addition to the wide range of decorations, the white interior of Verona can be colored in any color of your choice, in accordance with the colors of your client's logo.

The way coffee and tea is served is of great importance not only for the aesthetics of the table. A properly selected cup will allow you to get the best taste and aroma of your favorite drink and at the same time evoke positive associations with the branding applied to it.
